- PSL (1st deg)

# Kacper Pasterz

Student, future civil engineering graduate.

Currently working my way to become a software developer. I've been learning Python programming for the last couple of months. Additionally I have a basic knowledge regarding HTML, CSS and GIT. When it comes to what got me into the IT sector I am interested in AI and the technology surrounding it.

## Employment history

### Design Engineer at IDH - Independent Design House

July 2021 - September 2021

- Working with foreign clients...
- Part of a multitasking project group...
- Formwork design and calculations...

## Education

### Civil Engineering, Cracow University of Technology

October 2017 - currently

## Hobbies

- Hiking and travels - so far in Poland with the intention of extending my plans to the rest of the world
- Sailing - amateur level (I passed my sailing license in 2016)
- Mountain and indoor climbing - amateur level, I am slowly engaging in this sport with more passion
- Literature - for now I'm limited to reading other people's work. I'm in the process of writing my own novel
